NOVEMBER, 2011

SUBMITTED BY: KYLE BRUSH

November starts with the Blades on the Road. I will be making the Gwinnett- North Charleston- Greenville portion since I have never seen two of those buildings. Have to compare Hot Dogs and other food offerings to keep my job! I know nobody has a "Club" like ours...and all those team GMs and Owners always want to eat with Craig when they come to Town! So we must be doing something right!!

Larry the Cable Guy will be "in the building" on Sunday, Nov. 13th. There is a great combo ticket of a BBQ buffet in the Club with Ticket to the Show and a Draft Beer or Soda that is a pretty good value at \$43 per person. It can only be purchased by calling our front desk (948-7825 -0) if anyone is interested. Club opens at 6pm and Show start is 8pm on that Sunday. Mike and Angie will be the opening act!

Our Wednesday games kick off this month. We will have our \$15.95 buffet with some great menus and will offer \$2 16 oz domestic drafts or \$2 - 5oz glass of wine with any dinner, salad bar or bar sandwich pre order on Wednesdays before the start of the game. The Concourse will have reduced prices all night...but they won't have the ambiance of the Club!!!

There is still room for any Club Members and a guest who want to sign up for "Dine with the Blades" on Tues. 11/15. This is your chance to get your one complimentary Prime Rib Dinner and enjoy it with one of our Everblade Players. Call Kyle at X 1103 to sign up. Guest fee is \$25 and will be billed the night of the event. Club bar opens at 6pm with Dinner starting promptly at 7pm. Don't miss this fun night!

On Friday, Nov. 18th we will be serenaded by 40 violinists in the Club from 5:30- 6:30...should be interesting!!! We have two Saturday post game shows this month with Ernie hosting two different Blades...yet to be determined. Don't forget... Players are allowed to have a "brew" after the game on Sat. Nights if a Club member feels like "treating". If you think they "earned" it...by all means, feel free to offer.

Finally...I keep trying to come up with ways to have Club Members interact with players. If you think it would make sense to announce the players as they enter the Club on Fri. Nights...we can get the Mic out and make some introductions. The members have to help out by providing some cheers and maybe have a program handy for them to sign. Once the Boys make their way around the Club bar and have some dinner... Don't be shy...you can still speak with them at their tables! K.
