The world premiere of *Saltimbanco* was held in Montreal on April 23, 1992 and featured a cast of 36 performers. During its 14-year tour under the big top, the show visited 75 cities on five continents, for a total of more than 4,000 performances before a combined audience of 10 million people.

In 2007, *Saltimbanco* embarked on a tour of over 40 arenas across Canada and the United States. The new tour model allows *Cirque du Soleil* to bring its shows to additional cities, giving more people than ever the opportunity to enjoy a *Cirque du Soleil* show in their own town.

*Saltimbanco* belongs to the emblematic style of *Cirque du Soleil* - a signature *Cirque du Soleil* show with a style that borrows from theatre, dance and music and where spectacular costumes, lighting and make-up take pride of place. The current cast of 49 artists, 15 of whom were part of the show's original big top tour, hail from Canada and 20 other countries.

Full of colour, amusement and amazement, *Saltimbanco* is a fun show for the whole family to enjoy, a great outing for everyone!

*Saltimbanco* -from the Italian "saltare in banco", which literally means "to jump on a bench"-explores the urban experience in all its myriad forms: the people who live there, their idiosyncrasies and likenesses, families and groups, the hustle and bustle of the street and the towering heights of skyscrapers. Between whirlwind and lull, prowess and poetry, *Saltimbanco* takes spectators on an allegorical and acrobatic journey into the heart of the city.
