Smucker's Stars on Ice: "On the Edge"

This year, *Smucker's Stars on Ice* is "*On the Edge*". The skaters are Olympic athletes who will take their skills to new heights; challenging themselves, daring to be different. They do it all *on the edge* of a steel blade no thicker than a pane of glass. Come join us as we put the world's best skaters to the ultimate test, as they showcase their elite athletic skills while performing in an Emmy Award-winning production. They will be going to the limit to bring to the ice the *best* that skating has to offer. Like any high-level sporting competition, they will be pushing their bodies to the *EDGE*.

Performed to a broad spectrum of popular music, including a soundtrack which ranges from Beethoven to Big and Rich, Dave Koz and Celine Dion, and enhanced by intricate lighting, dynamic costumes, cutting-edge choreography and state-of-the-art technology, all brought together by three-time Emmy Award winner **Jef Billings**, *Smucker's Stars on Ice* will show you all of the possibilities, and all of the ways in which sport can truly become entertainment.
